COMPENSATION REQUESTED BY OMM

16. OMM executed (i) an engagement letter with AAFAF for all work related to the pending Title III cases during Puerto Rico’s 2020 fiscal year (the “Title III Engagement Letter”), and (ii) a separate engagement letter with AAFAF for all work unrelated to the pending Title III cases during Puerto Rico’s 2020 fiscal year (the “Non-Title III Engagement Letter” and together with the Title III Engagement Letter, the “Engagement Letters”) and (ii) signed engagement letters with both the Puerto Rico Electric Power Authority (“PREPA”) and the Puerto Rico Aqueduct and

Sewer Authority (“PRASA”) for services to be provided to these agencies during Puerto Rico’s 2020 fiscal year (hereinafter, the “PREPA Engagement Letter” and the “PRASA Engagement Letter”). Services under the PRASA and PREPA Engagement Letters are not included in this application.

17. OMM’s hourly rates are set at a level designed to compensate OMM fairly for the work of its attorneys and paraprofessionals and are disclosed in detail in the Engagement Letter. In light of the unique facts and circumstances of Puerto Rico’s debt restructuring, OMM agreed to provide a 15% discount on all fees incurred under the Engagement Letters, which is reflected in all Monthly Fee Statements submitted during the Compensation Period.²

18. OMM’s rates are appropriate for complex corporate, securities, litigation, and restructuring matters, whether in court or otherwise. The rates and rate structure reflect that such complex matters typically involve great complexity, high stakes, and intense time pressures. OMM submits that the compensation requested is reasonable in light of the nature, extent, and value of such services provided to AAFAF.

19. During the Compensation Period, OMM did not receive any payments or promises of payment from any other source for services rendered or to be rendered in any capacity whatsoever in connection with the matters covered by this Application. There is no agreement or understanding between OMM and any other person, other than partners of the firm, for sharing of compensation to be received for services rendered in these cases.³

² OMM honored its 2018 hourly rates through June 30, 2019. The billing rates for certain timekeepers have been adjusted as of January 1, 2019 to reflect promotions effective as of that date.

³ At AAFAF’s request, OMM engaged contract attorneys to provide document review services in connection with certain litigation matters at discounted rates. The fees for such contract attorneys were billed to AAFAF at cost and disclosed in OMM’s fee applications.

SUMMARY OF SERVICES

20. The Compensation Period was an extremely busy and productive time for OMM in connection with both the Title III Cases and out-of-court restructuring efforts related to other entities and instrumentalities. Detailed descriptions of the specific services provided and the time expended performing such services are attached as **Exhibit B**, and a summary of the services OMM provided during the Compensation Period is set forth below and in the summaries for each of the main invoice tasks codes.

Plan of Adjustment and PBA Title III Filing

21. On September 27, 2019, the Oversight Board filed a joint plan of adjustment (the “Plan”) and disclosure statement for the Commonwealth, ERS and the Puerto Rico Public Buildings Authority (“PBA”).

22. The Plan contemplates a restructuring of the Commonwealth claims, including the GO bonds, PBA bonds, and ERS bonds. During the Compensation Period, OMM attorneys spent significant time reviewing, analyzing, negotiating and revising the Plan and all related documents and advising AAFAF and the government regarding the Plan and related issues. OMM also led preparation of PBA for a Title III filing, which occurred on the same day that the Plan was filed.

COFINA Tax Exchange

23. On June 10, 2019, the Puerto Rico Sales Tax Financing Corporation (“COFINA”) announced an Invitation to Exchange Bonds and Consent to Amendments (the “Invitation”) of all or portions of the restructured sales tax bonds issued in connection with COFINA’s Title III case (“Restructured Sales Tax Bonds”) on February 12, 2019 (the “Exchange”). The Restructured Sales Tax Bonds were originally issued without an opinion relating to the status of interest for United States (“U.S.”) federal income tax purposes.

24. The catalyst for the Exchange was the failure of the U.S. Internal Revenue Service

to complete its review of the Restructured Sales Tax Bonds before their issuance on February 12, 2019, which failure was largely caused by the federal government shutdown. A Tax Exemption Implementation Agreement signed on February 12, 2019 provided that COFINA would continue to pursue a ruling from the IRS regarding the tax treatment of the Restructured Sales Tax Bonds and, if a favorable ruling was obtained, offer holders of Invited Bonds the opportunity to exchange those bonds for tax-exempt bonds with a twenty-five (25) basis point reduction in yield. On August 1, 2019, COFINA successfully closed the Exchange, which included approximately 87% of Restructured Sales Tax Bonds that were invited to participate in the Exchange.

25. During the Compensation Period, OMM attorneys drafted documentation related to the Exchange, negotiated with the IRS on behalf of COFINA, advised the COFINA Board of Directors on various issues relating to the Exchange, and frequently attended meetings and calls with COFINA's bond counsel, AAFAF, the Oversight Board and COFINA's Board of Directors regarding the Exchange.

Title III Cases

26. The Compensation Period was also an extremely active time in the Commonwealth, HTA, and ERS Title III cases. In addition to all of the work summarized in the task code summaries below, OMM was also at the forefront of plan of adjustment and fiscal plan discussions with the Oversight Board, various creditor groups, and other stakeholders, represented AAFAF's interests in various bondholder initiated litigation matters, prepared for and participated in various mediation sessions, and counseled AAFAF on numerous corporate governance and compliance issues.

Other Restructuring Efforts

27. Finally, OMM successfully advanced the out-of-court restructuring efforts of

several other entities and instrumentalities. During the Compensation Period, for example, OMM:

- OMM professionals spent substantial time interfacing with creditor constituencies and analyzing potential restructuring transactions for Puerto Rico Industrial Development Company (“PRIDCO”) and Puerto Rico Infrastructure Financing Authority (“PRIFA”), including attending meetings and preparing various presentations detailing issues related to potential transaction structures and potential paths forward for the entities; and
- Engaged in confidential negotiations, analysis and discussions with various constituencies in the Title III cases.

28. As a result of all of these various work streams, OMM submits that the fees and expenses for which its seeks approval were reasonable and necessary. All fees were also billed at a 15% discount to OMM’s hourly rates.

29. Additionally, OMM has established subject matters categories (each, a “Matter Category”) for keeping time records of the work performed for the Debtors. The following is a summary, by Matter Category, of the professional services provided by OMM during the Compensation Period.⁴

a) Case Administration

30. This category includes all matters relating to general case administration and coordination, and serves as a general code for services performed that do not fit under any other specific code. During the Compensation Period, OMM prepared daily and weekly updates detailing each filing and pleading in the Title III cases and related adversary proceedings, and kept an up-to-date master litigation calendar. OMM attorneys continually updated the key documents library for client reference, consisting of significant substantive court decisions, prior work

⁴ Several of the matter categories do not appear in this summary because OMM did not bill a substantial amount of time under those categories during the Compensation Period. **Exhibit B** provides a complete summary of hours billed and total compensation requested by matter category.

product, and research memoranda.

b) Corporate Governance

31. This category includes all corporate governance advice and other advice to AAFAF in connection with the Title III cases, including correspondence and other communication with the Oversight Board and monitoring compliance with the Commonwealth's Fiscal Plan. During the Compensation Period, OMM assisted AAFAF with various issues related to the fiscal plans and legislative initiatives. OMM attorneys monitored, and frequently attended, the Oversight Board public listening sessions. Additionally, OMM attorneys drafted submission letters related to new fiscal plan submissions. This category also consists of meetings with creditors, financial advisors, and the restructuring team consisting of members from AAFAF, OMM, Pietrantonio Mendez & Alvarez LLC ("PMA") and Ankura.

c) Employee Benefits and Pensions

32. This category includes all time spent by OMM attorneys on matters related to employees of the Debtors, including the handling of union grievances and arbitrations. During the Compensation Period, OMM attorneys reviewed and researched pension plan issues and continued to address various issues related collective bargaining negotiations.

d) Litigation

33. This category includes analysis, preparation, and prosecution of adversary proceedings or other litigation that is not included in a separate litigation matter number. All work related to Rule 2004 motions is included in this category.

e) Relief from Stay and Adequate Protection

34. This category includes all matters relating to requests for relief from the automatic stay or for adequate protection, including assisting the Commonwealth to respond, defend, and settle such requests. During the Compensation Period, OMM analyzed the applicability of the

automatic stay to pending federal and state litigation against the Commonwealth, reviewed an objection to the sixth omnibus motion to lift the stay, and responded to dozens of requests to lift the stay, either by motion or lift stay notice. OMM frequently conferred with movants and the Oversight Board in an attempt to resolve motions consensually, and when consensual resolution was reached, OMM drafted stipulations outlining the agreements.

f) Mediation

35. This category includes all work, time, and communications related to the Title III mediation process. During the Compensation Period, OMM attorneys prepared for and attended multiple mediation sessions and creditor update calls and assisted AAFAF and other professionals retained by AAFAF in preparing for mediation sessions and responding to questions submitted in advance of and during the mediation sessions.

g) Plan of Adjustment

36. This category includes all work related to the Plan referenced above.

h) Reporting

37. This category includes all work done in connection with the Commonwealth of Puerto Rico's reporting obligations and disclosure requirements. Prior to its Title III filing, the Commonwealth and certain of its instrumentalities were not in compliance with its reporting obligations under federal securities and other applicable laws. During the Compensation Period, OMM professionals prepared and publicly filed audited financial statements for fiscal years 2015 through 2018, as well as prepared unaudited continuing disclosure reports for the Commonwealth, ERS, PRIFA and other instrumentalities of the Government of Puerto Rico.

i) Commonwealth-General Corporate Matters

38. This category includes corporate matters not directly related to the Title III Cases. During the Compensation Period, OMM attorneys prepared letters on behalf of AAFAF in

connection with various transactions, advised AAFAF in preparation for Oversight Board meetings, and attended the same. OMM attorneys also attended conferences with financial advisors, analyzed various issues regarding nondisclosure agreements, and engaged in strategic discussions on behalf of AAFAF. During the Compensation Period, OMM attorneys also conducted analysis relating to, and assisted in preparing, the Commonwealth fiscal plan.

j) Commonwealth-PBA

39. This category includes all matters relating to AAFAF in connection with ongoing restructuring efforts related to PBA, which is currently Title III debtor. During the Compensation Period, OMM prepared a Title III filing for PBA and performed all PBA related work in connection with the joint plan of adjustment.

k) Commonwealth-PRIFA

40. This category includes all matters relating to AAFAF in connection with ongoing restructuring efforts related to PRIFA, which at the present time is not a Title III debtor. During the Compensation Period, OMM professionals analyzed, and discussed with various constituencies, potential restructuring transactions for PRIFA and the Ports Authority, including preparing various presentations detailing issues related to potential transaction structures. During the Compensation Period, OMM attorneys also interfaced with bondholders, researched issues and drafted memoranda on potential paths forward for the entity. Additionally, OMM attorneys negotiated and exchanged several drafts of a term sheet with various stakeholders contemplating a restructuring transaction involving PRIFA.

l) Commonwealth-PRIDCO

41. This category includes all matters relating to AAFAF in connection with ongoing restructuring efforts related to PRIDCO, which at the present time is not a Title III debtor. During the Compensation Period, OMM professionals analyzed, and discussed with various

constituencies, potential restructuring transactions for PRIDCO, including preparing various presentations detailing issues related to potential transaction structures. During the Compensation Period, OMM attorneys also interfaced with bondholders, researched issues and drafted memoranda on potential paths forward for the entity. Additionally, OMM attorneys negotiated and exchanged several drafts of a term sheet with various stakeholders contemplating a restructuring transaction involving PRIDCO.

m) Act 29 Litigation

42. This category includes all matters relating to the Oversight Board's complaint filed against former Governor Ricardo Rosselló and AAFAF to attempt to prevent the government from enforcing Law 29 and to compel it to comply with PROMESA. During the Compensation Period, OMM attorneys drafting responsive pleadings, conducted research on Act 29 and participated in numerous strategy conferences with AAFAF and other members of the Government of Puerto Rico.
